

Some things that we are looking to have donated to the Art of Play conference:

- Art and school supplies – quality card stock paper, ribbon, glue, scissors, pens, markers and materials useful in making handcrafted gifts for sale in our boutique, which raises money for teacher scholarships.
- Healthy snack foods and drinks – such as, fresh fruit (*i.e.*, *apples*), nuts, trail mix, granola bars, juice, water and any other food that can be consumed on-the-go, and can be absolute life savers for busy teachers on limited budgets.
- Quality items for silent auction – each year, the hosting chapter auctions a variety of goods: children’s books, T-shirts, educational games or toys, musical instruments, sheet music, as well as donated gift baskets, art, jewelry, backpacks, gourmet foods and many other items.
- Goody bag items – travel size sundry goods, pens, pencils, tablets, tissues, hand cream, lip balm, sunscreen and other handy comforts to make welcoming goody bags for the children and guests.
