

NCAOSA Consent Form

for parents and students

The Northern California Orff Schulwerk Association (NCAOSA) would like to share the work of your son or daughter. We are an organization of music and movement specialists committed to furthering education for all children. If you agree to allow NCAOSA to share the work of your child, please read below and consider the following:

I hereby grant permission for the *Orffion*, the newsletter of the NCAOSA, to publish and share (check all that apply):

- photographs featuring my child
- musical compositions, writings or drawings by my child
- videos of teaching in my child's classroom
- recordings of my child singing alone or with the class

I understand the following (*please initial each*):

- I understand that my child will not be identified by name.
- I understand that the *Orffion* is a print publication.
- I understand that the *Orffion* is also shared on the Internet via the website www.ncaosa.org and that my child's images or work will be visible over the internet by the general public.
- I understand that there is no compensation involved.

There is no penalty for not granting your consent, and the members of the NCAOSA thank you in advance for your consideration. If you have any questions or concerns, feel free to contact our president via: president@ncaosa.org. You may also contact other board members if you wish. You can find their contact information on the web at www.ncaosa.org.

If you do not wish to consent, or do not want to participate, simply recycle or throw away this form.
